The Kinza Quality Deer Cooperative (KQDC) has the information you need to enjoy hunting Allegheny Whitetails even more this season. At our deer Season Kick-Off event, you'll find booths from the KQDC with info about roads, recent timber harvests, spring pellet counts, and more. There will also be booths from the Federated Sportsmen of PA, the Quality Deer Management Association, and others. Qualified Boone and Crockett Scorers will be on hand to measure up to 20 deer racks. If you have a rack you would like measured you must pre-register it by calling 814-563-1040 between 10am and 2pm Monday through Thursday.
